Bolotov & Partners is one of the most trusted top-tier intellectual property law firms in Kazakhstan working since 1994. The firm's main strength lies in its focus on IP/IT related matters, unique combination of international service standards and extensive local work practice in Kazakhstan and other Central Asian countries. It is also known as a team of reliable lawyers, trademark and patent attorneys who advise companies of all sizes and in virtually all industries, including world's top brands across the full IP life cycle.

Our company has been working in Kazakhstan more than 20 years, representing interests of local, foreign and international industrial and service companies, banks and financial organizations, central and local governments.

It has been nominated for best IP Law Firm in Kazakhstan over the last few years and is the single IP oriented law firm in Legal 500 EMEA rankings 2016–2017. Bolotov & Partners entered the rank of best IP and TMT law firm and has been placed in the top IP firms in 2017–2018 in Kazakhstan by such worldwide international rating agencies as Legal-500, AsiaLaw Profiles, Chambers & Partners and many others.

We are committed to put our clients and their business success first and keep high standards of servicing our clients, professional staff and international experience. Our correspondent network all over the globe multiplied by an independent firm's flexibility and promptness in decision making would help us to provide clients with the highest-quality advice, the global standards with in-depth local expertise.

We confirm our current commitments to our business partners and clients and look forward to being of assistance to them in the future.

We are looking for cooperation with companies requiring expert legal services for their businesses and hope that our international and long-standing Kazakhstani experience would help us to assist in the matters.

OUR TEAM

Our team consists of highly professional associates and patent attorneys who are graduates of the best universities in Kazakhstan and abroad and are fluent in English, Kazakh, Russian and other languages. As a part of our legal practice our associates and attorneys share legal know-how, offer sector-specific advice, and keep clients up to date on market and industry trends.

Listed below are our leading specialists in IP protection and enforcement.

Yuri Bolotov

Managing Partner

Ybolotov@BolotovIP.com | +7 727 357 23 80 (ext.109)

Yuri has graduated from the Moscow Steel & Alloys Institute (Russia) with a degree of the Metallurgical Engineer in 1983, a Ph.D. in Technical Sciences from Riga Polytechnic Institute in 1987 and D. Litt. from Fairfax University, Louisiana, USA in 2002. Since 1993 Yuri Bolotov is a registered Trademark & Patent Attorney of Kazakhstan. For now more than 25 years, he has worked in the area of use and protection of IP rights – trademarks, patents for inventions, utility models and industrial designs, copyrights and know-how in Kazakhstan and other countries. Yuri represented a number of major international corporations in courts of various levels and state agencies, participated in pre-court settlements and general commercial negotiations. His experience includes due diligence of Kazakhstani and foreign companies, and IP audits. He also has extensive experience in corporate, antimonopoly and unfair competition matters. Yuri is an independent expert of Eurasian Franchising Association in Kazakhstan. He mainly deals with complex IP matters and supervises work of trademark, patent and IP litigation teams.
